Professional Summary

Motivated and adaptable individual with teaching experience in language education, particularly Chinese for beginners. Strong communication skills, a positive attitude, and a passion for helping students develop confidence in speaking and comprehension. Seeking opportunities to grow professionally while contributing to a dynamic and supportive work environment.

Career Objective

To seek an opportunity that allows me to grow both personally and professionally by gaining real-world experience alongside my academic studies. I aim to develop practical skills, adapt to workplace responsibilities, and contribute through dedication, responsibility, and a strong willingness to learn while supporting the goals and values of the organization.
